STEAM - Museum of the Great Western Railway, is in the heart of the former Swindon Railway Works. The Museum tells the story of the Men and Women who built, operated and travelled on the Great Western Railway, a network that, through the pioneering vision and genius of **Isambard Kingdom Brunel**, set the standard for rail travel.

This story is brought to life with videos - mixing rare archive film footage with the stories of ex-Railway Workers - and hands-on exhibits and interactive displays, famous locomotives and GWR memorabilia. The Museum is peopled by character figures life-cast from Swindon people - many of them former Railway Workers.

Or if shopping is more your thing, housed in the beautifully restored grade II listed Great Western railway works, Swindon Designer Outlet is rail-to-rail full of all the labels you love, permanently reduced by up to 60% every day.
